

## Registration Process

If you are new to the Fraser Coast Jobs Website and have not registered before, please read the following information about the registration process before continuing.

Registration and the services provided by the Fraser Coast Jobs website is Free to all Job Seekers, Employers and Employment Agents and can be completed by following these three simple steps:

### STEP 1: Select a User Type

Step one requires that you select a User Type that best suits your situation, the options available are Job Seeker, Employer or Employment Agent. After selecting a user type you will then proceed to the user registration form.

### STEP 2: Complete the Registration form and User Profile.

Step 2 asks that you complete the user registration form and provide details about yourself that will be used to create a user profile that will assist in your use of the Fraser Coast Jobs website. Information prompts are available throughout the form to assist with some questions. After submitting the form you will be sent an email with a link to follow to confirm your registration details.

### STEP 3: Confirm Your Email Address to complete the user registration process.

Fraser Coast Jobs needs to confirm that your email address that you gave during registration (Step 2) is both current and valid. After completing the registration form an email will be automatically sent to you requesting that you follow the link provided, once the link has been followed your registration will be complete and you will then be able to login.
