

## Important Notice

Are you Registered but can't Login?  
Can't retrieve your Lost Password?  
Please read this Important Notice

This notice only effects people who registered or updated any information to the Hervey Bay Jobs Website

From 25 October 2007 to 18 November 2007.

Please click the read more button (right) for more information.

Due to an unrecoverable database error our website administrators needed to restore a full website backup dated 25/10/2007. Any new registrations, updates, changes or additions including any uploaded resume's etc... that where made from Tuesday 25 October 2007 to Sunday 18 November 2007, have been lost and deleted with the restoration of the backup.

### For New Registrations

If you registered during the above dates, you will need to re-register.

### For Registered Members

If you accessed the website during the above dates and made any changes or added new information, you will need to Login and reapply any changes.

The administrators for the Fraser Coast Jobs Website appologise for any inconveinence this nessecary action may have caused.
